A New Time Card.
A new time card on the S. F. & P. railroad is just out and goes into effect on Wednesday June 12. There is very little difference in the running of the passenger train, as it leaves Ash Fork at 3:15 p. m. instead of at 3:45 and its running time remains the same, the time between stations just ten minutes later than before. A very important change is made in the schedule of the mixed train which will run clear through to Phenix instead of stopping over at Prescott as heretofore. Another important change is in the number of the train, the south bound passenger being formerly known as 106 and the north bound 104. Hereafter they will be numbers three and four respectively. The mixed trains are numbered 31 and 32 the even number being north bound and the odd south bound. This south bound leaves Ash Fork at 6:30 instead of 7:15, arriving at Prescott at 10:35 and leaving at 11:00 a. m., arriving at Phenix at 6:50 p. m. The north bound leaves Phenix at 6:45 a. m. instead of 7:30, arrives at Prescott at 3:10 leaving at 4:00 and arriving at Ash Fork at 7:40 p. m.

Marriage at the Toll Gate.
The following letter dated at Crowned King June 1, has just put in an appearance at this office.

"Mr. Chas. E. Tucker of the Crowned King, has happily married on Tuesday morning at the toll gate 35 miles south of this place to Mrs. Florence M. Gilbert the popular and charming widow, station keeper at the toll gate, J. E. Reynolds, justice of the peace, officiating."

The wedding was followed by a sumptuous wedding feast and a grand ball in the evening.

Mrs. Timmons and Miss Minnie and Ada Gilbert were the bridesmaids and Mr. G. M. Timmons, Mr. Frank Morgan and Mr. Odell, acted as best men. The bride was dressed in a becoming purple satin dress trimmed with orange blossoms and wore a wreath of Ivy and orange blossoms. The toilet of the bridesmaids was of soft white tulle with narrow ruching of lace to trim the hair and they were gathered into a round coil at the bosom and then again into a folded bell with lace edgings and were as pretty as a woman's heart could desire. After the ceremony was performed and congratulations tendered to the newly married couple, a splendid dinner was served, and many were the toasts drunk to the health, happiness and prosperity of Mr. and Mrs. Tucker. After dinner a trip was made to the Hot Springs by all present and a delightful time was enjoyed by all. In the evening, a grand ball was given at the toll gate which was enjoyed by young and old. Dancing was kept up until a late hour. The presents were numerous and valuable.

Among those present were: Mr. and Mrs. Odell Mr. and Mrs. Timmons, the three Misses Gilberts, Minnie, Ada and Della; Frank Morgan Mr. Kates Mr. A. K. Marsh John Simpson and E. Simpson, the reporter of the Justice and others too numerous to mention.

District Court Notes.
The time of the district court was occupied this morning with further argument in the case of Watts vs. McKennon.

The trial of Paul Loske and William Schultz, charged with the murder of K. W. McNary is set for to-morrow.

Justo Feliz, who took a shot at Officer Prince last December will have his trial on Thursday and Jakey Brown's trial, on a charge of murdering Charles Ward at Jerome, is set for Friday.

In the district court this morning the case of John Howard vs. James Shirley was taken but the trial had not progressed very far until Judge Hawkins made the discovery that he was disqualified to try the case and the hearing of it was postponed.

This afternoon the undersheriff of Loske and Schultz was taken up. A special venire for twenty-five jurors was returned to the court and the work of examining jurors was commenced. At the hour of going to press the jury had not been impaneled.

BLACK FRIDAY.
It is such a day to the following unfortunate.

This afternoon a quartette of evil doers appeared before Judge Hawkins to receive sentence for the commission of various crimes charged with as follows:

H. Heenan, forgery, three years in Yuma.

Pedro Johnson, grand larceny, one year in Yuma.

Charles Gallagher, forgery, three years in Yuma.

Charles McGowan, forgery 13 months in Yuma.

LYNX CREEK'S ROOM.

A Section where Unusual Activity Exists in Mining.

LYNX CREEK, June 3.—[Editor JOURNAL-MINER:—Thinking you would like to hear from this section of mineral wealth, I will commence by saying that everything is in a full blast. The Homestead company, under the efficient and able management of Mr. Lane is proving to be a grand success. They are keeping the ten stamps running steadily night and day, on a good grade of ore making about five tons of concentrates per day of a high grade. DeLarge and Stone, two thorough mill men are running the mill. Their mines like the rest here prove better as depth is attained. In their Fortune mine showing good ore has opened out until now it is nine feet wide, a grand body to look at. They will erect a steam hoist in a very short time. The Shelton property is looking well. This company will do very much at present until their mine is erected and then something will drop sure (ten stamps.) Major Sisty is at present in Colorado on mining business. They have a terrific amount of ore. The Morse mill is hammering away steadily now on the above ore. Pine Mountain is showing good ore. The mines and miners of this section have all taken on a business move. There are a great many lessees at work. This district seems to be one solid network of mineral veins. Some time ago I saw an article where it said Chaparral and Lynx creek were running neck and neck but from my observation I think Chaparral is not in it, and we will still continue to advance. The Homestead company are talking strongly of putting in a plant to reduce the concentrates on the ground probably a Chlorination plant. So you see if Prescott does not look out she will get left on reduction works.

MINER.

THE BROWN'S COMING.
Albuquerque Will Send a Base Ball Team to Prescott.

The Browns base ball club held a meeting last night. Regarding a trip to Prescott on July 4th, the subject was fully debated and each member was requested to register his vote plainly "for or against" the trip. The manager then asked that a motion be put, that it could be properly entertained, whereupon votes were counted by J. E. Austin, Herbert and C. McDonald, that the club visit Prescott. Before the motion was put the manager stated that he could not accompany the team to Prescott, if the motion carried, for the reason that he was the president of the territorial firemen's association and wanted to see the convention and tournament, the coming July in Santa Fe, a grand success. The motion was then put and unanimously carried.

Several members of the base ball club are also members of the hose running team, and this determination on their part necessitates keeping in several new sprinters from among the firemen.—Albuquerque Citizen.

Fourth of July Notes.
The hose tournament committee is requested to meet this evening with the executive committee.

The Tucson Star has the following to say in regard to the celebration: "Prescott believes in advertising. The latest evidence of this fact is the large four by eight posters of many and vivid colors which are now posted up about Tucson, announcing the fact that there will be a Fourth of July celebration in the northern metropolis of Arizona, not a little three-up celebration, but a regular old fashioned one of the \$8,000 calibre, lasting six days."

A gentleman who just came in from along the Atlantic and Pacific railroads says that Prescott's celebration is the talk all along the line and big delegations will come from every town.

The executive committee held an important meeting last evening to discuss arrangements on various questions.

The canvasser for lodgings is meeting with splendid success, and from present indications no less than 500 visitors can be accommodated in private families. Our citizens are showing a proper spirit in this matter.

Prescott proposes to celebrate for six days from July 1 to 6, at the rate of \$1,000 a day. Arrangements are being perfected for a large delegation from this city, as Phenix will have no celebration of its own.—Saturday Review.

The Browns base ball club of Albuquerque recently held a meeting to discuss the matter and voted to come to Prescott on July 4.

A. S. New, collector of internal revenue at Denver and S. W. Shepley one of his deputies, both seem to be devoting a whole lot of their time, which is supposed to be paid for by the government, in trying to get a man of their choice appointed governor of Arizona. Just what a special interest they have in the territorial election, they should so persistently attempt to dictate the appointment of its governor is not known here.

Dispatches from Simla say that 500 tribesmen of Chitral are again threatening to attack the British troops in the vicinity of Dargai.

Mrs. J. P. Bell, Osteopathic, Kan. wife of the Editor of The Graphic, the leading local paper of Miami county, writes "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness that at times I could walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles and the Heart Cure and Restorative Nervine and I completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there is relief until for them if they will only give Dr. Miles' New Cure a trial."

Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. It cures all the heart troubles that are not of a permanent nature. It is sold by all druggists, or on receipt of price by Dr. Miles Medical Co., Elkhart, Ind.
